PROFESSIONAL KITCHENWARE

Disposables for hygiene and perfection

Professionals agree: functional equipment as pastry bags, strain cloths and foils are essential in the gastronomy. In professional kitchens it's about hygienic working, a perfect taste and a successful timing. High expectations to be fulfilled.

Hygienic disposable products which save time and provide a precise working are the specialty of Franz Mensch. The disposable pastry bags from **HYGOSTAR** fit well and grippy in the hand, so that not a single drop goes wrong. Therefore you work fast and exactly. Another example: the strain cloth **FILTERSTAR** for sauces and soups. The cloth is disposable and leaves no detergent residues in the food. You get 100% pure taste and work 100% hygienic.

The kitchen disposables are especially developed for working under high pressure. All materials are made of a high quality in order to avoid tearing, soaking or failing.

■ ADVANTAGES OF DISPOSABLES

The products can be disposed after use. No additional works as rinsing or drying are needed. This way you save time. Another advantage: disposables are very hygienic because you always use a fresh, unused product.

■ LARGE RANGE FOR KITCHEN PROFESSIONALS

Discover on the following pages:

- strain cloths – recommended by top chefs
- disposable pastry bags
- dust covers, baking papers, foils
- labels and portions bags
- washable dish and hand towels

■ TIP: WALL MOUNTS FOR DISPOSABLE PRODUCTS

Get the whole range for your professional kitchen from Franz Mensch including wall mounts and dispensers. With suitable dispenser pastry bags and co. are stored hygienic and handy. The removal is particular simple and time-saving.

WHAT DOES VACUUMING MEAN?

The air is sucked out of the packaging via a strong pump, after which it remains airtight. The advantages for food and users are:

- The shelf life and freshness is 3-5 times (depending on the cooling) extended
- The storage is germ-free, odorless and hygienic
- Nutrients and taste are preserved
- You save a large amount of space = a big advantage with frozen products
- You can vacuum larger quantities and make them last longer
- Immediately usable = great time savings!

IDEAL FOR THE PROFESSIONAL KITCHEN

This pastry bag is an innovation: The special film made of **4 components** has extremely good anti-slip properties. The surface provides an excellent grip, similar to the traditional cotton pastry bags. Therefore it always rests securely in your hand – even if your hands are wet or greasy. This way you always work easily and efficiently.
